

The 2nd International Conference on

PLANT & MOLECULAR BIOLOGY

October 23-25, 2019 | Amsterdam, Netherlands

HAZEL GROUP

WELCOME TO PMB - 2019

Hazel Group feeling immense pleasure after successfully completed of our first edition at Paris, France during February 24-26, 2018, On behalf of the esteem Organizing as well as Program Committee we take great pleasure to welcome you to join The 2nd International Conference on Plant and Molecular Biology has been scheduled during October 23-25, 2019 at Amsterdam, Netherlands. With indeed focus on the essential progression of developments and advancements through the latest upfront plant research and practice.

This meeting includes several interactive sessions specifically designed for highly acclaimed educational activity which has been considered one of the predominant meetings on this subject. The objective of the Plant Conference 2019 is to reinforce "The Role of Plant in Advancing Global ecosystem productivity", Abstracts must contain original research data collected by the author(s). Presentations will be selected based upon their articulation, design and other characteristics, which cover wider aspects of plant 2019 science research as well as its policies related within the themes. The conference enhanced through the provision of the interactive keynote, workshops, oral, and poster presentation sessions. Each Individual presenter will be assigned with 30 minutes time duration to express his/her research experiences followed by an interactive discussion led by leading authorities.

The committee aims to create a friendly, warm network environment among participants which makes it easy to interact other colleges/attendee to connect with each other and share their ideas and establish the foundation for future vision and development. We look forward to meeting all of you in **Amsterdam, Netherlands.**
